DISCLAIMER

This presentation contains "forward-looking information" which may include, but is not limited to, statements with respect to the future financial or operating performance of Canadian Copper Inc. ("CCI or the Company"), and its projects, the COMEX price of copper ("Cu"), the estimation of Mineral Resources, operating and exploration expenditures, costs and timing of development of new deposits, costs and timing of future exploration, requirements for additional capital, government regulation, environmental risks, reclamation expenses, title disputes or claims and limitations of insurance coverage. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes" or variations (including negative variations) of such words.
